

## Example questions for case based discussion (D-CbD) assessment form

Please use this space to write notes and record the questions you will ask during or following the case presentation in order to assess the VTbyA dentist's clinical judgement in this case:

Questions asked: (examples in 'user guide')

1. *Were notes taken on relevant dental history?*
2. *Were referrals needed and made?*
3. *Were relevant radiographs taken?*
4. *What was your clinical diagnosis?*
5. *Did you explore alternative reasons for excessive tooth wear?*
6. *Did you discuss any alternative treatment plans?*
7. *What plans for follow up have you put in place?*

### Evaluator Notes:

*OPT of poor quality – no note made in records – trainee had decided to review in 6 months when reviewing treatment plan but this had not been recorded.*

*No mention of previous dental history*

*She felt she led discussion in initial talks with patients' requirements for treatment*
