

## Restorative Dentistry Curriculum Delivery Resource Matrix – StR (5 years)

Attendance at local/regional meetings, audit etc will be supported and travel reimbursed if part of the training programme. **Please be aware that each year only one conference will be supported and any additional conferences will need to be self-funded.**

Management and critical appraisal courses are available through HEE SW

	Curriculum Competencies to be addressed	How will this be delivered	Cost
Year 1	General Restorative clinical topics, management and specialist training issues. Networking with other SpRs and consultant	Specialist Registrars in Rest Dent Group Conference. Agreed nationally that SpR/StR should attend most years	Conference fee, accommodation, travel and subsistence
	Implantology	Introductory course on implant dentistry	Conference fee, accommodation, travel and subsistence
Year 1 or 2	CBCT Level 1 and 2	Locally or organised course elsewhere	None if delivered locally or course fee and travel if elsewhere
Year 2	Specialist knowledge and clinical techniques from international level speakers	Attendance at a national specialist society conference e.g. British Society for study of prosthetic dentistry, BSRD, BSP, BES, ADI	Conference fee, accommodation, travel and subsistence
Year 3	Management of Oncology patients (this course will only be funded once during training and should ideally be completed during year three, please refer to the note above if completed in another training year)	Attend nationally organised SpR course as agreed by SAC	Conference fee, accommodation, travel and subsistence

Year 4	Preparation for ISFE	Attendance at nationally organised course on management issues, critical analysis etc	Conference fee, accommodation, travel and subsistence
		Head and Neck Course (only if not provided locally)	Course fee, accommodation, travel and subsistence
	Specialist knowledge and clinical techniques from international level speakers	Attendance at a national specialist society conference e.g. British Society for study of prosthetic dentistry, BSRD, BSP, BES, ADI	Conference fee, accommodation, travel and subsistence
Year 5	Specialist knowledge and clinical techniques from international level speakers	Attendance at a national specialist society conference e.g. British Society for study of prosthetic dentistry, BSRD, BSP, BES, ADI	Conference fee, accommodation, travel and subsistence

If a trainee was presenting a paper or lecture at an appropriate conference we would consider supporting this on a case by case basis

#### Notes

- If a trainee has a particular training need not identified in matrix, prior agreement by the HEE will be required
- Core GDC CPD requirements will not be funded
- Examinations – Travel and Subsistence will be available for the sitting of specialty examinations
