		<p>Endodontics. There will be the rotations to/ or clinical placements at other services in The South West Region to work with other Restorative Specialists and Consultants. This will require travel within the South West Region.</p> <p>They will be expected to diagnose, plan and deliver high quality treatment for patients within the speciality of restorative /prosthodontics/periodontics and endodontics, under the direction and guidance of consultant colleagues. Participation in the audit of patient services, quality improvement and clinical governance activities. Trainees will not be expected to deliver a significant teaching load but will participate in teaching activity to complement their training.</p> <p>It is a requirement of the training post that the trainee registers and maintains the Intercollegiate Surgical Curriculum Programme (ISCP) electronic training portfolio. Supervised Learning Events will be undertaken regularly throughout the training programme. These will include case-based discussion (CBD), clinical evaluation exercises (mini-CEX), direct observation of clinical skills (DOPS), patient assessment questionnaires (PAQ) and multi-source feedback procedures (MSF). The assessments will be supported by structured feedback.</p> <p>In addition to the day-to-day clinical supervision, the trainee will meet with their Educational Supervisor to agree educational objectives, and review progress. The ES meetings will set out a learning plan in a planned, robust and transparent manner to provide a framework to obtain the requisite and knowledge and competencies. The Educational Supervisor’s report will be key to the ARCP process.</p> <p>There will be the occasional requirement to attend meetings outside of core office hours to work with stakeholders and professional groups that represent clinicians. Regular travel is expected in the region and less frequently outside of it to attend regional and national meetings or other speciality society or professional groups</p> <p>The appointee will be expected in the normal run of his/her duties, and within his/her contract to cover for the occasional brief absence of colleagues and during occasional emergencies and unforeseen circumstances and without additional remuneration.</p> <p>The appointee will be required to maintain registration with the GDC. Dental staff are advised to continue membership of one of the Medical Defence Organisations.</p>
