Management and critical appraisal courses are available through HEE SW

	Curriculum Competencies to be addressed	How will this be delivered	Cost
Year 1	Physics of radiological imaging, radiation safety and legislation	Medical Physics Course	Travel
	Quality Improvement methodology	Trust Bronze level QI training	No cost
	Information on technical advances. Updates on anatomy, classification, evidence based radiology. Radiological interpretation Interesting cases To gain experience in presenting.	BSDMR National Conference	Course fee, accommodation, travel and subsistence
	Broad range of topics detailed in curriculum	BSDMR Study Days	Travel
		National Speciality Training Study Days	Accommodation, travel and subsistence
Year 2	Broad range of topics detailed in curriculum	BSDMR Study Days	Travel
		National Speciality Training Study Days	Accommodation, travel and subsistence
	Performance and interpretation of US, US guided fine needle biopsy and core biopsy Limited places so may need to attend in Year 3	External Course (British Society of Head and Neck Imaging / Swansea)	Course fee, accommodation, travel and subsistence
	Interpretation and reporting of MRI/CT	British Society for Head and Neck Imaging annual Meeting	Course fee, accommodation, travel and subsistence

	Information on technical advances. Updates on anatomy, classification, evidence based radiology. Radiological interpretation Interesting cases To gain experience in presenting.	BSDMR National Conference*	Course fee, accommodation, travel and subsistence
Year 3	Information on technical advances. Updates on anatomy, classification, evidence based radiology. Radiological interpretation Interesting cases To gain experience in presenting.	BSDMR National Conference*	Course fee, accommodation, travel and subsistence
	Broad range of topics detailed in curriculum	BSDMR Study Days	Travel
		National Speciality Training Study Days	Accommodation, travel and subsistence
	Performance and interpretation of US, US guided fine needle biopsy and core biopsy (If not attended in year 2)	External Course (British Society of Head and Neck Imaging / Swansea)	Course fee, accommodation, travel and subsistence
	Interpretation and reporting of MRI/CT/ CBCT	British Society for Head and Neck Imaging annual Meeting or alternative	Course fee, accommodation, travel and subsistence
Year 4	Professional & Generic Skills Course (Ideally post completion of the DDMFR)	Regional or alternative	Course fee, accommodation, travel and subsistence
	Information on technical advances. Updates on anatomy, classification, evidence based radiology. Radiological interpretation Interesting cases	BSDMR National Conference*	Course fee, accommodation, travel and subsistence

	To gain experience in presenting.		
	Broad range of topics detailed in curriculum	BSDMR Study Days	Travel
		National Speciality Training Study Days	Accommodation, travel and subsistence
	Interpretation and reporting of MRI/CT/CBCT	British Society for Head and Neck Imaging annual Meeting or alternative	Course fee, accommodation, travel and subsistence

*Attendance at one BSDMFR conference per annum in Year 2/3/4 will only be considered if the trainee is presenting a case report/ paper or audit
Additional requests to attend appropriate conferences will be considered if a trainee was presenting a paper or lecture at an appropriate conference would consider supporting this on a case by case basis

Notes

- TPD will agree CDR monies if in matrix
- This will then be confirmed by ADD at HEE SW
- If a trainee has a particular training need not identified in matrix, prior agreement by the HEE South West will be required
- Core GDC CPD requirements will not be funded
- Examinations – Travel and Subsistence will be available for the sitting of specialty examinations (only 1 resit will be funded)
